

QINGDAO CHINA EXPAT GUIDE

Qingdao International Couriers

There are four international Couriers in Qingdao. The prices vary depending on size and weight of the item being shipped. If you intend on shipping anything to the abroad we would suggest that us use UPS, FedEX, or EMS. All three of these companies are reliable and have reasonable rates; however, UPS does provide it customers with china tracking information.

UPS is the world's largest package delivery company and a global leader in supply chain services, offering an extensive range of options for synchronizing the movement of goods, information and funds. Headquartered in Atlanta, Ga., UPS serves more than 200 countries and territories worldwide.

China and the United States recently (end of 2004) signed a new aviation deal that gradually will raise the number of cargo and passenger flights between the two nations to 249 per week, up from the current 54.
